

SUMIT DEVDA

9516787083 | sumitdevda6@gmail.com | Indore Dist-Indore MP

Summary

MCA student with hands-on experience in MERN stack and ReactJS, skilled in HTML, CSS, JavaScript, and Tailwind CSS. Passionate about creating responsive, user-friendly web applications. Eager to contribute to real-world projects and grow in a collaborative software development environment.

Experience

Shanti Infosoft LLP | IT / Computers - Software | Indore,MP Internship Trainee | 01/2025 - Present

As a Software Developer Intern at Shanti Infosoft, I contributed to web application development with the MERN stack, optimized user interfaces, managed databases, and engaged in agile methodologies, enhancing my technical expertise and preparing me for future challenges.

Projects

Online Learning Management System :-

Developed an Online Learning Management System (LMS) using MERN stack (MongoDB, Express, React, Node.js) and Tailwind CSS. Enabled seamless course management, user authentication, and interactive features like quizzes and forums, enhancing user engagement and simplifying administrative tasks.

AI Trip Planner:-

"Developed an AI-powered Trip Planning application using React.js, Gemini AI, Node.js, and Firebase. Utilized user preferences and location data to generate personalized itineraries, enhancing travel planning efficiency and improving overall user experience.
